

RISKS AT SCHOOL

look back at school kindly

Additional chemistry lessons

Physics explosion in field,
police came around.

Inherent excitement for science and
encouraged risk taking

SCIENCE

Running group at University of Cambridge

Develop cool technology with industrial
collaborators

To maximize impact take risks
just like the Masters, and found a
startup intelligens

...

SUMMARY

Seen how strong foundation helped
develop successful product

Also saw benefit of stepping outside comfort
zone, urge risk taking, echo school hymn
"He who would valiant be".
