

FAIRY TALES

Michaelmas Term

- **7 October**
Drunk and Policemen
- **14 October**
Bouncing Ball
- **21 October**
Green's Function and Resistance Network
- **28 November**
Colour Groups and Magnetism
Rotation of C-60
- **4 November**
Topology of Electric Conductors
- **11 November**
Supersymmetric Quantum Mechanics
- **18 November**
Climbing the Mountain
Volume of a Sphere
- **25 November**
On Symmetric Group, Young Tableaux and
Superselection for Molecular Rotations
- **2 December**
Mathematical Triads and Random Matrices
